Willows Animal Sanctuary is the largest vegan run sanctuary in Scotland and will try to help any animal in distress. We look after over 450 animals including over 100 horses, ponies and donkeys, approximately 60 cats and dogs and many reptiles as well as over 200 farm animals and birds We specialise in helping elderly or more vulnerable animals that have already been refused help by large national charities, but we can only continue to help needy animals with your support!

***If you love animals
you will love a visit
