

Organise a Head Shave For Willows Animal Sanctuary

Why Do a Head Save?

It's a bit different to the usual coffee morning and a fair bit safer than a sky dive! make sure its something you definitely want to do as it will take a bit of time for your hair to grow back.

Find a Location and Set a Date

Set the date for your head shave and then tell all your friends and family on social media that you are doing this and you their support.

The more social media and advertising you can do the more chance you will have of raising your target!

Remember, if you don't raise all the money it doesn't matter. The most important thing is to have fun and raise awareness for Willows.

If you need help you can email us at the address below.

Set a Realistic Target

This could be £20 or £2000 whatever you think you might be able to achieve, but don't make it impossibly high.

Send the money to Willows

Once you've completed your fundraiser, get in touch and let us know how you did! Pay in your funds online at willowsanimals.com/supportUs.html or by post to the address below. If you prefer, come in person to Willows.

Share what you did with us

Please let us know how you raised the funds - we would really like to know and will likely want to share your experience on social media.
